

Jayasree Chanumolu

Experienced Educator & Center Manager |
Skilled in Teaching & Programming

ABOUT ME

I am a passionate educator with experience teaching students from Kindergarten to Grade 11 in subjects like English, Mathematics, and programming. With a background in software development, I integrate problem-solving and critical thinking into my teaching. As a Center Manager and teacher, I focus on creating an inclusive and engaging environment that empowers students to reach their full potential and excel academically.
