

NEHAL VORA

MATH & COMPUTER SCIENCE
INSTRUCTOR

SKILLS & INTERESTS

- Customized teaching strategies
- Strong foundation in STEM and language education
- Early childhood development expertise
- Student motivation and engagement
- Academic foundation building

PROFILE

Dedicated and compassionate educator with over 20 years of teaching experience and a decade of professional expertise as a Medical Laboratory Technician. Holding a Bachelor's degree in Science (Microbiology) and a Diploma in Pathology, I specialize in creating individualized learning methods that cater to each student's strengths and learning pace. My goal is to help young learners reach their full potential and establish a strong academic foundation through engaging, hands-on, and structured lessons.

EDUCATION

- Bachelor's Degree in Science (Microbiology)
- Diploma in Pathology

EXPERIENCE

- **Tutor at Parinama Academy (2021 - Present)** - Teaching English, Math, Science, Geography, and Hindi for Grades Pre-K to 3.
- **Medical Laboratory Technician** - 10+ years of experience handling diagnostic procedures and pathology lab operations.
- **Teacher** - 20+ years of teaching experience across varied subjects with personalized instruction methods.
