Dedicated Student Leader | Chess & STEM Instructor | Brand Ambassador at Parinama Academy

ABOUT ME

Hi, I'm Rima, a passionate 10th-grade student at Rouse High School with a love for technology, leadership, and community engagement. As a Brand Ambassador and Volunteer Success Manager at Parinama Academy, I've had the privilege of teaching chess and hosting various events to inspire and empower students. Beyond my teaching role, I'm an active member of multiple school clubs, and I recently authored a book on Data Science + AI, blending my passion for technology with education. Through my work at Parinama, I aim to ignite curiosity, build confidence, and help students become leaders of tomorrow.
